## **A message from the White Plains Department of Public Safety:**

There has been a slight uptick in larcenies from vehicles that were left unlocked, and the Department of Public Safety would like to make sure that our communities are made aware of preventative safety measures.

### **Protect you vehicle and belongings....**

- *Lock your vehicle and pocket the keys*
- *If you have a GPS remove it and the suction cup from the window, and wipe the ring left from the suction cup from the window. Store it out of sight.*
- *If possible, avoid parking next to vans, pick ups and other large vehicles. These large vehicles can "hide" your vehicle and make it difficult to observe.*
- *Don't invite a vehicle break-in by leaving packages or valuables (cellular phones, compact discs, computers and radar detectors, etc.) in sight.*
- *Whenever possible, park in well lighted and busy areas.*
- *If your car is equipped with an alarm system, use it.*

**IF YOU HAVE ANY QUESTIONS CALL THE  
COMMUNITY POLICING DIVISION (914) 422-6341**
