Dear Neighbors,

We have received various e-mails and calls from Gedney residents recently concerning the status of the FASNY litigation.

As you know, the City appealed Judge Lefkowitz's Preliminary Decision to the Appellate Court. Nothing definitive has happened to this point. This could be a very long process. In the meantime, we understand that Judge Lefkowitz has had several conferences with attorneys representing the City and FASNY. We asked to attend but were told by the Court that we were not legally permitted to be at these conferences which were held in the Judge's chambers.

As soon as we hear any news on the FASNY litigation we will immediately inform you via e-mail. We also suggest that you call or write the Mayor and Common Council members. After all they are our elected representatives and have a responsibility to keep the residents informed.
